

## COL. TRABUE ON CAPITAL QUESTION.

Replies to the Capital Removal Speeches in Arcadia Last Week.

Punta Gorda, Sept. 26.—Editor Tallahasseean.—This trio of eloquent orators wish to carry everything before them by storm. Their arguments are wonderful. One of them seemed to think he could move the Capital with jokes. The taking joke was the man chalking his way to heaven and who had to come back for more chalk. That trio is just as near moving the Capital as the chalky man was in getting to heaven.

Laying all jokes aside, it is a large undertaking to move that Capital. It will take all the oxen in South Florida to haul the grand old building; then how would they get it across the river?

Clark said he had patented a calculating machine, and he intended to send it to me to recalculate the cost of moving the Capital. I calculated the cost on Clark's machine. If there is any error in the calculation the machine is at fault, not the poor Everglade lawyer.

The great Democratic party is opposed to trusts and machine politics. Our friend Clark asserts that the Jacksonville Board of Trade is the greatest institution of its kind south of New York. Its influence is immense, its power is irresistible; it raised \$1,000 in 25 minutes to pay the expenses of the State primaries. What is the matter, Clark, with Hanna's trust—as the Jacksonville trust beats them? Did you not tell too much, Clark? Did you say that that corporation, the Jacksonville Board of Trade, controlled the Democratic convention—just wrapped it around its fingers?—painted the convention red and lead the people to believe that the Democracy of Florida wanted the Capital removed from old foggy Tallahassee to the flourishing, go-ahead town of Jacksonville? Oh, that Board of Trade is a wonderful corporation; it is a wonderful trust; it is really a boss! Now, did it boss that convention? It will boss all Florida if the Capital is removed to Jacksonville.

Floridians, do you want such a boss as the Jacksonville Board of Trade? They can raise all the money they want—raise it at the rate of \$1,000 in 25 minutes. What would the Legislature be in the hands of such a trust?

All roads lead to Rome. All heads in Florida will bow to that wonderful trust when the Capital gets to Jacksonville. It will take one of Clark's calculating machines to calculate the result. I have the machine and will tell you the result. Jacksonville and her politicians will be strictly in it, and we, poor Florida crackers, will come out of the little end of the horn.

Atlanta promised a half million toward moving the Capital from Milledgeville to Atlanta. The State moved the Capital to Atlanta and that city never paid one cent of the half million. They only paid their horn blowers. They said it was their talking men that made the promise and the people would have to take it out in talk.

Floridians, it is the talking men and board of trust in Jacksonville

who make the guileless promise, backed by their wonderful trust. They know they will never have to pay a cent, for Atlanta is their precedent. They say that if the Supreme Court breathed the same air that the wonderful trust does, the court would catch up, that they are in old foggy, honest Tallahassee and can never catch up. If a law is passed to pay \$10 to the court for each case decided, and charge the \$10 to the successful party—no one would object to paying this amount to gain his case—it would be a wonderful spur; the court would catch up and in six months it would be ahead. So says Clark's calculating machine. It did not err in calculating the immense amount the people would pay before the Capital removing bonds were all wiped out. Those speakers will never get into heaven or have the Capital removed without more chalk. Tax-payers, don't you furnish the chalk. Let the Capital stay where it is and keep your chalk. I. H. TRABUE.

### GENERAL ORDER NO. THIRTY-FIVE.

Tribute to Memory of Lieut.-Col. F. W. Merrin.

Headquarters Florida Division, United Confederate Veterans, Brooksville, Fla., Sept. 18, 1900. General Order No. 31: One by one our comrades fall out of rank, too weary to longer bear the burdens of life made doubly heavy by the weight of years and the hardships of years given to the cause so dearly loved, so painfully lost. Another comrade has answered his last earthly call and has gone forth from us. "God's finger touched him" and our comrade, Lieut.-Col. F. W. Merrin, Chief of Artillery, of the Florida Division, sleeps. At the ripe age of seventy-one years he rests, after a long life devoted to God, his country, his family and his friends.

The Major-General, commanding, desires to pay deserved tribute to the memory of this earnest Christian, gallant soldier, gentleman, loving, tender husband, devoted father and friend and exemplary citizen.

In war, he wrote his name indelibly on honor's roll and in peace he added to the lustre of the name, the fearless soldier won. The rolls of Mississippi bear many an honored name, but none purer, truer or braver than that of F. W. Merrin, Captain of Artillery, during the war between the States.

By order of E. M. Law, Major-General, commanding the Florida Division.

FRED. L. ROBERTSON,  
Adj.-Gen. and Chief-of-Staff.

It is well known that DeWitt's Witch Hazel Salve will heal a burn and soothe the pain at once. It will cure eczema and skin diseases and ugly wounds and sores. It is a certain cure for piles. Counterfeits may be offered you. See that you get the original DeWitt's Witch Hazel Salve. All Dealers.

#### A Reform in Buildings.

The "The Little Red School House" of former years is fast being displaced by more modern structures, better adapted for the work of teaching and training the youth of our land. Great changes have been made in public architecture, and the building of today is as far in advance of that of former days, as the college is of the public school.

Not only has advance been made

in public school architecture, but Sunday School architecture has also made rapid strides. Instead of "trucking" the Sunday School away in the cellar, or some other out-of-the-way place, the church is beginning to realize that in the Sunday School is the future church, (as 85 per cent. of its additions come from the Sunday School), and that it is entitled to better quarters and more modern conveniences. Consequently there has been a reform in church architecture, and they are now being built with some thought of the Sunday School. The Sunday School building of today is one that can be easily thrown into the church auditorium by sliding doors; built with a gallery, having class rooms up stairs and down, and so arranged that the platform of the Superintendent can be seen from any section of the room. This Sunday School architecture is one of the out-growths of the International Sunday School Convention, which through its various conventions, suggests methods and plans for upbuilding and strengthening the Sunday School work of the whole country. The General Secretary of the International Convention, Mr. Marion Lawrence, Toledo, will, upon application, furnish circulars explaining the work in detail.

Now is the season when the small boy fills himself with green fruit, which invariably leads to cramps, diarrhoea or dysentery. If parents are prudent, they will have a bottle of Pain-Killer, ready for such summer emergencies. Avoid substitutes, there is but one Pain-Killer, Perry Davis'. Price 25 cents and 50 cents.

#### Good News for Our Readers

Who have scrofula taints in their blood, and who has not? Scrofula in all its forms is cured by Hood's Sarsaparilla which thoroughly purifies the blood. This disease, which frequently appears in children, is greatly to be dreaded. It is most likely to affect the glands of neck, which become enlarged, eruptions appear on the head and face, and the eyes are frequently affected. Upon its first appearance, perhaps in slight eruptions or pimples, scrofula should be entirely eradicated from the system by a thorough course of Hood's Sarsaparilla to prevent all the painful and sickening consequences of running scrofula sores which drain the system, sap the strength and make existence utterly wretched.

## A THIEF IN THE NIGHT.

How Catarrh Robs Its Victims of Health and Life.

Catarrh is the most insidious of diseases. If neglected, it invariably reaches the bronchial tubes and lungs, rendering them weak and susceptible to consumption.

### P. P. P.

(Lippman's Great Remedy)

is the only logical treatment for this disease. Catarrh is now recognized as an affection of the blood, and not a mere local trouble. The best blood purifier is therefore the best remedy, and the best blood purifier is acknowledged to be P. P. P. Under treatment with P. P. P., the sickening discharges, with hawking and spitting and offensive odor, quickly disappear and permanent and radical recovery soon results.

Messrs. LIPPMAN BROTHERS, Savannah, Ga.

as Ca. Gent.—I have used nearly four bottles of P. P. P., Lippman's Great Remedy. I was afflicted from the crown of my head to the soles of my feet. Your P. P. P. has cured my difficulty of breathing, smothering, palpitation of the heart, and has relieved me of all pain. One nostril was closed for ten years; in fact, I depended on it to be able to take hold of the world. I have not slept on either side for two years; in fact, I depended on it to be able to take hold of the world. I feel glad that I was lucky enough to get P. P. P., and I heartily recommend it to my friends and the public generally.

THE STATE OF TEXAS—County of Comanche.—Before the undersigned authority on this day personally appeared A. M. Ramsey, who, after being duly sworn, says on oath that the foregoing statement made by him relative to the virtue of P. P. P. medicine is true.

Sworn to and subscribed before me this August 4th, 1901.

J. M. LAMBERT, N. P., Comanche County, Texas.

(Lippman's Great Remedy) is superior to all sarsaparillas and the most scientific and successful remedy for old sores, pimples, blotches and all diseases of the skin and blood.

(Lippman's Great Remedy) is well known to physicians, who prescribe it largely in their regular practice, the formula being printed on every carton. Sold by all Druggists.
